Term Paper – Paper [15%]

- Write a Term Paper on a topic related to Theory of Computation.
- Paper will be a maximum of 15 pages, single spaced, including any figures and tables.
- The main expectation is for a Survey—for example A Survey of Computational Models.
- You can also choose a topic—you will need prior approval to pursue this
- email me your choice of topic as soon as possible.

Deliverables

- **Paper: Word, odt files, or tex to be submitted; pdf must also be submitted.**

Deadline and Late Submissions

- The assignment is due on the date specified above at 11:59:59 PM
- Each day late will incur a penalty of 10% of the grade for the assignment; for example, if the assignment is 3 days late, the maximum grade will be 85 out of 100—15 will be subtracted from whatever grade is assigned.

Academic Policies

All work for this course must be done individually—no joint work or collaboration is permitted. Students can discuss general concepts and problems they face when they work on the assignments but cannot copy or share code. **Any form of plagiarism or copying will result in a grade of F. Please be aware of the Computer Science Department and the University's policies on copying and plagiarism.**
